

Life saving rules Baltica 2

At Baltica 2, we want everyone to be safe – every day. We're all responsible for creating a safe workplace. We always comply with our life-saving rules.

Always ensure the required plans and permits are in place before you start a job

Always use fall protection when working at height

Always use tools and equipment that are fit for the intended purpose

Always secure tools, loose materials, and equipment to prevent them from falling

Never undertake any job unless you have been trained and assessed as competent

Never place yourself under a suspended load during lifting

Never work, or operate vehicles or machinery, while under the influence of drugs or alcohol

Always adhere to barriers and exclusion zones

Always verify isolation and zero energy before work begins

Only transfer from a vessel when you are ready, and permission is provided

Follow the life-saving rules
