

## Deemed prices for electricity, effective from 1<sup>st</sup> October 2021

Your deemed price is based on the Profile Class and Distribution Zone of each Meter Point Administration Number (MPAN). Energy prices are shown in pence per kWh, with standing charges shown in pence per day. Prices will also vary according to different meter types, and non half-hourly (NHH) or half-hourly (HH) usage. You can stop paying deemed prices by agreeing a new contract with us (subject to your credit status) or moving to another supplier. You will not be charged a termination fee, and you don't need to give us any notice in writing. If you'd like to discuss entering a contract with us, or if you have any questions, please get in touch with our commercial sales team on **0800 056 8109**.
